Recent Developments in EU Antitrust Enforcement

This seminar will address key antitrust and competition issues affecting the European market now.

Trevor Soames, a leading European antitrust practitioner and managing partner of Quinn Emanuel's Brussels office recently described as a "samurai in his dealings with competition authorities", together with **Nadine Herrmann**, the head of Quinn Emanuel's EU competition and antitrust practice, will provide an insider's perspective of key EU antitrust issues, including:

- 2017 antitrust enforcement initiatives under Commissioner Vestager
- BREXIT impact on antitrust enforcement and litigation in the EU27 and the UK
- IPR, especially SEPs (FRAND, injunctive relief, royalty rate, SSPPU, FRAND obligations to license third parties)
- Big data
